SUMMARY

UX Lead and Product Designer with 7+ years designing end-to-end digital products in regulated and B2B2C environments (wealth management, fintech, mobility, e-commerce, education). I lead discovery, user research, design systems and WCAG 2.2 accessibility, with Figma-to-production handoff and acceptance criteria. I also build front-end (HTML, CSS, React, TypeScript), which speeds up work with engineering. Results: 40% less onboarding friction at SURA Investments (5+ countries); +35% activation and −42% onboarding drop-off at Karri.

EXPERIENCE

UX Manager · Viento Norte · Santiago, remote · Mar 2019 – Present
- Lead end-to-end digital operations and UX for regulated and multi-vertical clients (e-commerce, education, enterprise front office).
- Design product UI in Figma and ship it to production web (React, TypeScript, Tailwind, Git): consulting site, demos and freemium WCAG audits.
- Own design ops, accessibility reviews and handoff with acceptance criteria, not only screens.

AI Trainer (part-time) · micro1 · United States, remote · Jul 2026 – Present
- Capture, annotate and QA data for AI model-training pipelines, following project guidelines.

UX Lead · Associate, Digital Strategy · SURA Investments · Chile, hybrid · Sep 2023 – Jun 2026
- Led UX/UI in Wealth Management squads with PMs, POs and tech leads across 5+ countries (regulated investment platforms).
- Cut onboarding friction by 40%; shipped accessible experiences (WCAG, privacy by design) and the regional design-system handoff.
- Facilitated Design Thinking sprints and discovery with business stakeholders; wrote acceptance criteria for development.

UX/UI Career Instructor (part-time) · Desafío Latam · remote · Apr 2023 – May 2025
- Taught UX and UI (Design Thinking, atomic design, responsive systems); assessed capstone projects against industry criteria.

Senior Product Designer · Transvip Chile · remote · Jul 2022 – Sep 2023
- Led UX/UI in sprints with POs and Technology/Product leadership: booking, passenger app and internal systems.
- Built a functional web + app design system; high-fidelity Figma handoff; accessibility and booking-flow refinement.

Lead UX, Shoppers Vertical · Karri by Transvip · remote · 2022 – 2023
- Designed the earnings calculator and notification hub: +35% activation and −42% onboarding drop-off.

Web Designer · Walmart Chile (Data Conversion Service) · May 2022 – Jun 2022. High-volume retail web design and content

Web Developer · Havas Group Chile, Claro Chile account · Nov 2021 – Apr 2022
